Short Description

Powerful anti-oxidant for the eye area with a very noticeable effect on puffiness, dark rings and wrinkles

Description

GRAPE EXTRACTS EYE CONTOUR CREAM

(premature fine lines around the eyes – puffy bags under the eyes – dark circles around the eyes)

APPEARANCE AND PROPERTIES

A soft white cream. The skin around the eyes is particularly thin. It shows signs of lines and ageing and dryness before other areas. It can also develop unsightly puffy bags under the eyes and dark circles around the eyes. It therefore needs the very special attention that this eye cream offers. It combines the powerful anti-oxidant effects of the red grape with a combination of remarkably effective peptides and nourishing natural oils.

KEY INGREDIENTS

Acetyl Tetra Peptide-5: Scientifically researched and proven to help fight the creation of puffy bags under the eyes and dark rings around the eyes and fine lines around the eyes. Titrami of red wine and Optivegetol Wine: Anti-oxidants extracted from Grape Vine to prevent free radical damage and containing flavonoids to reduce signs of premature skin ageing.

Grape Seed Oil: Rich in essential fatty acids such as linoleic acid to nourish skin around the eyes.

Argireline: A hexapeptide with botox like effect to reduce facial tensions thereby reducing signs of lines and wrinkles.

Matrixyl: Peptides to accelerate cell renewal. Spectacular effect on wrinkles, firmness and beauty of the skin.

Sodium Hyaluronate: A powerful humectant to maintain moisture around the eye area and combat dryness.

Shea Butter: Rich and nourishing for soft, smooth, clear and lovely skin. Helps repair the hydro-lipidic film
