

Hydro-Mattifying Anti Purifying Gel-Cream 50ml

Brand: Algologie

Price From: \$68.00

Short Description

Leave skin with a matt finish.

Description

APPEARANCE AND PROPERTIES

A light orange fluid cream with citrus essential oil fragrance. It leaves skin with a matt finish stopping unwanted glow while its nourishing and hydrating properties return the look of health to the complexion. The AHA Marine Acids refine the texture of the skin and facilitate a long lasting makeup application. It is adapted for both masculine and feminine skin as its ultra light texture penetrates rapidly to a matt finish. Its exceptional effectiveness relies on the association of 8 active ingredients as well as the Algopure Complex. It is purifying, sebum regulating, hydrating and mattifying with anti-oxidants to protect the skin against free radicals and the oxidizing effects of pollution responsible for black heads. The 'Anti Shine Moisturiser' reduces sebum and balances the cutaneous pH. It nourishes and hydrates the skin while leaving an imperceptible veil of protection. The skin recovers its suppleness and matte complexion.

KEY INGREDIENTS

- The Algopure Complex
- Hyaluronic Acid: A powerful hydrating agent retaining 300 times its weight in water

- Marine Acids: Hydrating and exfoliating AHAs from seaweed
- Oil of Camelia: Nourishing and anti-oxidant with a non-greasy finish.
- Grape Seed Oil: Very nourishing
- Mattifying Agent: Provides a matte finish without dehydrating the skin and absorbs excess sebum.
- Allantoine: soothing

APPLICATION

Apply once or twice daily after the Purifying Toner on the face, neck and decolté. Squeeze a small amount into the palm of your hands and apply using light pressure letting the skin 'drink' in what it needs. For very problem skin apply 2 sprays of Algointensif Pureté underneath.
