Short Description

Moisturises, refreshes, softens and cleanses. For all skin types, particularly dry

Description

TRIPLE ACTION CLEANSER

all skin types particularly dry

A creamy yet soft and gentle white cleansing cream that ensures perfect deep cleansing. It is very delicately fragranced with fresh neroli essential oil. Carefully balanced to protect the pH level of the skin. The natural oils help to hydrate and soften the skin. It is particularly recommended therefore for drier, dehydrated skin types.

Apricot and Macadamia Oils: softens and nourishes skin and dissolves impurities

Neroli Essential Oil: relaxes and refreshes a taut skin. A fresh fragrance as well.

Advanced Emulsion: dissolves all water soluble and oil soluble impurities, pollution, dirt, etc.

APPLICATION

Apply morning and night to the face and neck, massage to dissolve impurities. Rinse off with warm water or remove with tissues or cotton pads.

Our advice ~ this cleanser is suitable for all skin types and works wonders on a dry skin.
