

Moisture Fix 50ml

Brand: Fleur De Mer

Price From: \$64.00

Short Description

An instant boost of moisture for dry and thirsty skin

Description

MOISTURE FIX

A soft, light cream for dry, dehydrated skin, particularly in winter

APPEARANCE AND PROPERTIES

A white, very light and very nourishing, hydrating cream with no fragrance. It provides instantly a refreshing moisture boost to hydrate a dry, devitalised 'thirsty' skin. It assists also in the skin's moisture balance while travelling on long flights and spending time in air conditioned or climate controlled environments. Also very effective with moisture balance after Fruit Acid or other deep resurfacing treatments.

KEY INGREDIENTS

Glycerine: Effective humectant to attract moisture to the skin and keep it there.

Sweet Almond, Sunflower, Macadamia, Soya Bean Oils: Lightweight oils to soften and nourish skin but leaving no oily feel at all.

Shea Butter: Instantly relieves skin dryness leaving it soft and smooth.

Vitamin E: A nourishing anti oxidant

APPLICATION

Apply morning and night to hydrate and nourish the skin
