Description

EYE MAKE-UP REMOVER LOTION BI-PHASE (for a soft and quick eye contour cleanse)

APPEARANCE AND PROPERTIES

This blue and clear two-phased lotion without perfume is dermatologically tested. It removes any trace of make-up, even the most resisting from the fragile eye contour. Flower waters soothe and soften the skin while removing make-up, even on the most sensitive skin.

KEY INGREDIENTS

Silicon oil : Very fine oil which efficiently dissolves make-up (even waterproof make-up).

Rose water : Real treasure for all skins: soothing, cooling, toning, hydrating and softening properties.

Cornflower water : Soothes irritated eyes. Anti-inflammatory properties.

Phycol PC: Active seaweed extract from *Pelvetia Canaliculata*. Hydrates and stimulates micro-circulation of the eye contour area.

APPLICATION

Shake vigorously to blend the 2 phases. Immediately apply on a cotton pad and remove makeup from eyelids and lashes. Rinse carefully with lukewarm water. Use a different pad for each eye.
