Calms and soothes red or irritated skin

Description

SOOTHING LOTION Sève Apaisante

soothing lotion suitable for red, irritated and sensitive skin

APPEARANCE AND PROPERTIES

This yellow liquid may be used as a lotion or applied as a cold compress to diminish the hot, burning sensation from irritation, reaction or damage to the skin.

It contains a special base of cooled lime to soothe most irritations of the skin.

It can be used to cool, calm and reduce redness on dry and sensitive skins from sunburn, overactive products, depilation, redness etc.

KEY INGREDIENTS

Calcium Hydroxide and Cooled Lime: Calming, soothing and anti-inflammatory. Helps to restore a disrupted pH associated with irritated skin.

APPLICATION

Saturate cotton squares and dab on the face after cleansing.

In case of itchiness, stinging redness etc, apply as a cold compress.

Our advice ~ use as a compress for Rosacea to reduce redness and calm the skin
