

Eye Mask 50ml

Brand: Algologie

Price From: \$59.00

Short Description

A rich cream to reduce the signs of lines

Description

EYE MASK Eclat des Yeux Masque
for all skin types

APPEARANCE AND PROPERTIES

A medium to rich textured white cream. Because of the extreme fineness and mobility of the tissues, the eye contour is a very fragile zone which needs specific treatment. It is the first place for the appearance of premature ageing signs. It also reveals signs of fatigue and puffing. The Eye Mask is a light emulsion which does not dry, for the utmost comfort of the eye contour. It relaxes, moisturises, soothes and smoothes the skin. It eliminates traces of fatigue and makes your complexion radiant. Particularly effective for nourishing and hydrating the eye contour thereby reducing the appearance of fine lines, wrinkles etc.

KEY INGREDIENTS

Adjusted concentrations of the 3 ingredients creating the exclusive natural Algo3 Complex: Chondrus Crispus: The seaweed extract providing proven rapid hydration. It also increases the water concentration in the epidermis. Gulf Stream Seawater: Pure and fresh with lots of natural vitamins and minerals to nourish and remineralise the skin. Alaria Esculenta: Another seaweed extract with anti-oxidant properties to protect against

free radicals.

Sea Salt: Natural vitamins and minerals from the sea.

Sweet Almond Oil & Avocado Oil: Nourishing, softening and protective.

Pelvetia Canaliculata: A brown seaweed. Exceptional moisturising properties. It gently accelerates the blood microcirculation on the eye contour which helps prevent the appearance of fine lines.

APPLICATION

Apply a thick uniform layer over the whole eye contour. Allow to absorb before going to bed. Don't remove. This will leave the eye contour nourished while you sleep.

OR

Leave for 15 minutes before applying another product on top.

In both cases twice to three times weekly.
