Description

GRAPE EXTRACTS LOTION (all skin types)

APPEARANCE AND PROPERTIES

This reddish lotion is a real treasure of freshness and hydration for the skin. At the same time helping to limit damage caused by destructive free radicals and prevent premature skin ageing. Thanks to its pleasant grape fragrance the application is a moment of pure pleasure. Skin is kept soft and supple day after day.

KEY INGREDIENTS

Titrami of red wine: Extracted from Vine Leaf, it is rich in flavonoids to prevent skin free radical damage.

Optivegetol Wine: Extracted from wine itself. Its anti-oxidant effect reduces premature skin ageing.

Sodium Hyaluronate: This hydrating ingredient maintains the level of water in the superficial layers of the skin.

Grape Water: Soothing, hydrating and anti-oxidant

APPLICATION

Apply morning and evening after cleansing.
